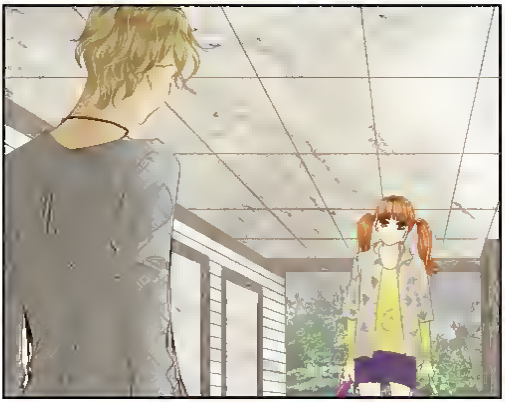
That guy, seriously?! With that mouth?!

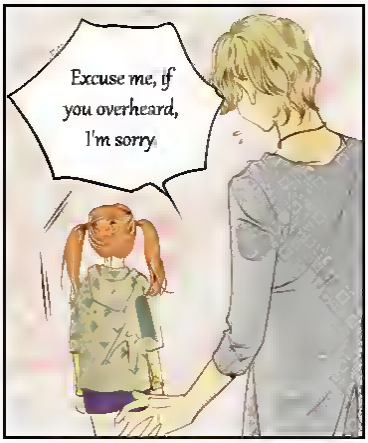
Salon H



Huuk

That is..!!

Haha. I'll be going my way then.

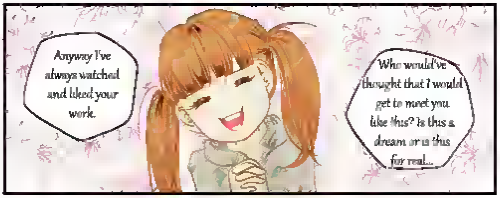


Excuse me, if you overheard, I'm sorry.

.....

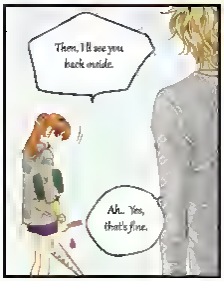
Ah... how our manager is an old man? How our shop is cheap?

That's fine. It is the truth. For us to be called here is a huge honor in and of itself. Styling hair for big stars, you don't come across that every day.
Ah...

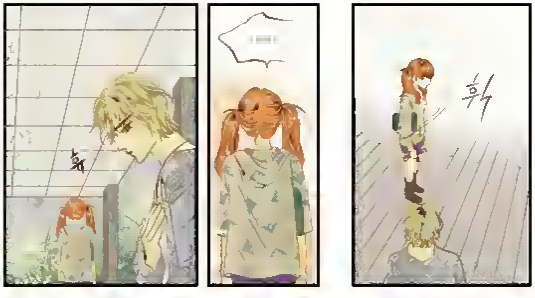


Anyway I've always watched and liked your work.
Who would've thought that I would get to meet you like this? Is this a dream or is this for real...

Ah... Thank you very much. Hahaha...
When you're done, can I ask for an autograph?
Ah, yes of course



Then, I'll see you back inside.
Ah... Yes, that's fine.



What I did just now...
that was acting.
!?

Acting...
Even though there was someone here who could act. Hahahaa.

...!
Then I'll be going back to prepare.
It's running, so take your time coming back.

What just happened right now? She--?

Ah, my hair is a mess and I'm not that presentable at the moment
They should've sent it through a courier. Why are they making me pick it up in person?

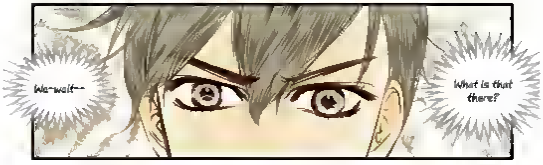
So what?
They already hired a new designer?

This is Beauty House. Designer Hyunkyung, you left behind your scissors. I was told to tell you to pick them up.
What? Scissors? I don't think I would have... Excuse me, but this is the first time I've hearing your voice. Who is this?

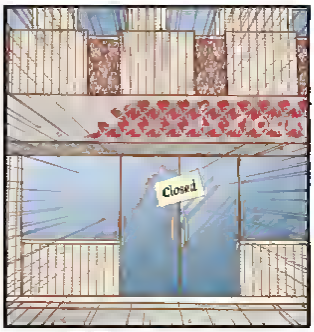
Ah, I am the new designer

So what's going on is that these crooked guys hired a new designer already?
I didn't leave behind my scissors. I'm going back to steal them!!

Huh?



We-well~~
What is that there?

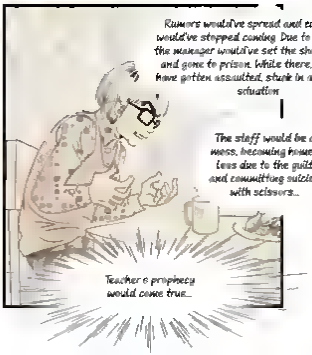


Closed

Huh? There's no way for that to happen. Closed?

Huh? It looks like they haven't been doing business for a while?

If that's the case...



Rumors would've spread and customers would've stopped coming. Due to the anger the manager would've set the shop on fired and gone to prison. While there, he would have gotten assaulted, stuck in a miserable situation.
The staff would be a mess, becoming homeless due to the guilt and committing suicide with scissors...
Teacher's prophecy would come true...

Then what was the phone call earlier? They said they were calling from Beauty Hour?
Crap. Was it another person or what's going on...
Right now the most upsetting thing right now is obviously
I will, for sure, never be able to see clients... FF
Why are ~ ?!! they yours?!?
That hair shop director has been gone for a few weeks now to an atelier
